

STROHBÖID

Glamping

Hotel room flair in the middle of nature

Treat your guests to a luxurious glamping experience in our CO₂-neutral tent. Our outdoor rooms prove that a vacation in nature does not mean missing out on the comfort of a hotel room. The queen size bed, the kitchenette and the fully equipped bathroom leave hardly any wishes unfulfilled and advance rightly to a hotel in the open air.

Product features

Made of sustainable materials and with forward-looking, durable and sophisticated design the STROHBÖID glamping tent is an exclusive outdoor hotel room as a hotel room with luxury flair.
